

# CSCI 1210 Project

## **\*Rapid prototyping\***

Team members: Riley Cramer, Nick Garnand, Audi Pretzer, Brandon Twitty

Client: Audi

Team Lead: Riley

Documentor: Brandon

Lead Designer: Audi

Lead Developer: Audi

Quality Manager: Nick

## Meeting 2:

We had a 20 minute meeting on 03/21/23

We discussed how the site will be structured, and gave it basic design, including, but not limited to: site design and color scheme.

## **\*\*\*PRESENTATION\*\*\***

We need to have a 8-12 minute presentation to be presented on 4/26/2023

## Meeting 3:

4/20/2023

We discussed the final layout of the web pages. The home page will be unique, and the other three will follow a similar layout:

A banner at the top, and all relevant info beneath. They will also have the navigation bar in order to redirect the users to the other pages as needed. There *\*might\** be art / decoration on the sides of the webpage.

The Nav bar Will have 4 sections: Home, Create Appointment, Works, and About Us

Nav hover options:

Aztec Gold: #C39953

Sky Blue: rgb(100, 100, 255)
